If you would like to sell back books that your child used during the 2018 school year, please check on sites like Amazon to see what the fair market value is for that book. Once you determine the price you would ask for the book, please provide the school with an envelope that has your name, phone number, and address so the school can put the book in the annual sale to be purchased. If the book is sold, Brittany Girroed will contact you.		
Please place an envelop with the price of the book, your name, phone number, and address, in the front cover of the book.
